**ORDER TO SHOW CAUSE**

Capacities; DUANE EIVINS, In Their Individual and Official Capacities; KURT URKOSKI, In Their Individual and Official Capacities; ELIZABETH BUTLER, In Their Individual and Official Capacities; and ADI POUR, In Their Individual and Official Capacities;

Defendants.

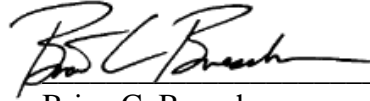

Federal Rule of Civil Procedure 4(m) provides, “If a defendant is not served within 90 days after the complaint is filed, the court -- on motion or on its own after notice to the plaintiff -- must dismiss the action without prejudice against that defendant or order that service be made within a specified time. But if the plaintiff shows good cause for the failure, the court must extend the time for service for an appropriate period.” Fed. R. Civ. P. 4(m).

Plaintiffs filed the Amended Complaint on January 3, 2021, and defendant John Henige was added as a defendant. Filing 68. More than 90 days has elapsed since the Amended Complaint was filed. To date, Plaintiffs have not returned the summons forms, a waiver of service has not been filed, Henige has not entered a voluntary appearance, nor has Plaintiff requested an extension of time to complete service. Defendants likewise did not include Mr. Henige in their motions to dismiss, although Defendants included all other Defendants. Accordingly,

**IT IS ORDERED** that Plaintiffs shall have until **May 3, 2021**, to show cause why this defendant should not be dismissed pursuant to Federal Rule of Civil Procedure 4(m) or for want of prosecution. The failure to timely comply with this order will result in dismissal of the defendant Henige without further notice. The parties are further ordered to consult to determine whether the parties agree that Mr. Henige may be included as a part of the City Defendant’s Motion to Dismiss (Filing No. 65).

Dated this 26th day of April, 2021.
